### History & Mission of PAACO

The Pueblo African-American Concern Organization (PAACO) is a non-profit organization that was founded in 1992 for the purpose of supporting the educational goals and activities of African-American students. This support is provided in the form of scholarships, mentoring, and tutoring.

PAACO has provided scholarships to African-American students who attend accredited institutions of higher education. PAACO raises scholarship funds through the Annual Stars & Lights Dinner Theatre, grants, contributions, endowments, and other endeavors.

PAACO provides tutoring and mentoring opportunities by linking and collaborating with local agencies that focus on these activities. PAACO provides funds for activities, contributes professional input and support, and sponsors outreach programs.

### Board of Directors

PAACO is governed by a Board of Directors who meet at least on a monthly basis. Board members are selected from the community at large and are voted on by the members of the board.

### Membership

The membership of PAACO is open to all interested persons or organizations. The membership provides input to the Board of Directors, and many members volunteer time for fundraising activities, tutoring, and mentoring.
